NET meeting at Hinson Baptist Church

Next meeting @ Martha's. Christopher told Jeremy to post same time, same day, new location. See how it goes with Revolution Hall events. Might get too noisy and crowded.

Arbor Lodge has a nice page with calendar of events

Christopher asked Beckman Neighborhood Assn for a sub-committee—needs one NET member to chair. NET can do fundraising through NA for supply purchases.

Maybe we meet @ Multnomah County building simultaneously as NA board mtg, before public general meeting. Might attract more neighbors, Communication officer.

13 October: Guest speaker at PSU, 7p, education about preparedness

Penelope will write blurb for Neighborhood newsletter. Could be used on the NA Facebook page too.
